### When it comes to teaching, fun works!

The best way to motivate your students to improve their English skills is by playing games. In this respect, nothing works better than good old "round-the-table" fun.

**gamelish** card games are specifically designed for the

European market and based on the CEFR. The games

are divided into three categories: reading (ABC and

rules), vocabulary by topic and grammar.

With **gamelish**, learning English becomes

easier, more fun and most importantly -

much more effective!
